## 2. Language and communication skills

### Language Lab

We have a well-equipped digital language laboratory to acquaint the students from all the faculties with Communicative English. Students can also come in language lab and the incharge faculties help them to operate the system and teach to the process of communication. The aim of language lab is especially to train the students in listening, speaking and reading skills.

Following table shows the number of students benefited:

Year	number of students benefited
2016-17	43
2017-18	34
2018-19	43
2019-20	55
2020-21	56

### Literary Association

The Literary Association has been established to promote languages and literature skills. From time to time, the Association organizes a rich and diverse array of literary activities such as debates, group discussions, poetry writing and recitation, shortstory writing, quiz contests, interactive/lecture sessions, etc. Through these activities, Coordinators (student and teacher) reach out to language and literature lovers and try to create a space for sharing emotions and thoughts.

The association has been instrumental in building a community of creative, imaginative and thoughtful human beings. It has created deep awareness about several issues of local and global importance. It basically sensitizes students to react constructively to disparity and injustice in modern society, inculcate socially desirable values such as empathy and cooperation. At the individual level, the students have been greatly benefitted by their performance/participation in the events. They have also acquired some highly valued skills in professional field, such as effective communication, leadership skills, interpersonal communication skills.
