

**Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences**

Our Institution strives to integrate **experiential, participatory, and problem-solving methodologies** by devising innovative teaching-learning methodologies that bring a profound learning experience for the divergent students in the **DIGITAL ERA**.

Engaging the learner throughout the lecture session has been the best and acceptable methods of the teaching learning process. The traditional method of teaching inside the classroom engaged the students throughout the lecture session but the learner involvement could not be achieved and the evaluation process is not in an outcome-based method. The traditional way of lecture delivery is teacher-centric, not student-centered. Teaching learning method following the same traditional way of lecturing, content delivery and traditional formative assessment procedures followed are not a suitable assessment for observing the learners' learning experience. Mostly there are no assessments followed for observing the learners' learning experience.

Our institution followed experiential learning, participatory learning and problem solving methodologies for enhancing learners learning experience. Various Participatory and Experiential learning activities followed in our institution

### **Participatory Learning Methods**

- **Seminar**
- **Home Assignments and Presentations**
- **Group discussions**
- **Case Analysis**
- **Role plays**

Our Institution further provides high quality of **out of class learning opportunities** through guest lectures, seminars, and workshops that align the academic stated goals and outcomes. The co – curricular and extra - curricular activities plays an integral part of the students' holistic education through various squads of Cultural Club, Sports Club, NSS, NCC. Students participation in Intra and Inter Collegiate Competitions, Cultural events, Sports and Games of District/State/ National and International levels enrich their professional ethics and social responsibilities.

Participatory learning among students is also facilitated through innovative components in **Modular Assessing Panel** like Group Discussions, Quiz, Poster Presentations, Games and Simulation Exercises and Demonstrations.

### **Experiential Learning Methods**

- **Learning by Doing**
- **Educational/Industrial tour**
- **Field work**

The Outcome Based Education for the programme is formulated with **Theory cum Practical for all the Discipline Specific Courses and Discipline Specific Elective Courses** that facilitate the students to understand the learned theory concepts alongside hands - on practical sessions.

Demonstrations and Practical Experiments would foster substantial training to meet the industrial prospects. Industrial visits and Field visits will be an induction for the core learning programme. Students are provided the learning tools like **Google classrooms, Kahoot, National Digital Library of India (NDLI)** etc.,

Communicative skills and Career Skills training aids in the personality development and build confidence in the minds of students to appear for the placement interview. The **Training and Placement cell** establishes a training programme for placement targeted students for a fortnight during summer vacation to evolve communication, aptitude, logical thinking skills and make the students industry – ready. Students would gain colossal experience through Industrial Exposure Training and acquire in depth erudition in the final semester.

### **Problem Solving Methods**

- Group Discussion
- Roll play
- Question solving

All the Departments are encouraged their students to gain and increase problem-solving skills and motivated their students to participate in various inter-college and intra-college competitions.

**Academic Year 2022-23**

---

The ultimate purpose of Student centric methods, such as experiential learning, participative learning and problem solving methodologies followed in our Institution is to improve the participation of each learner in the learning process and to improve the outcome of the learning process.

The assessment for learners' learning experience a set of formative assessment procedures have been designed, developed and implemented. The generalized procedures for learners' learning experience assessment include pause point, reflection spot, and peer learning spot.

While creating a lecture plan, a topic has been chosen, identify the pause points in the lecture and include a reflection spot, and peer learning spot. In an hour-long lecture, the inclusion of two or more pause points results in an interactive and participatory learning method as well as a suitable assessment for observing the learners' learning experience.

Mostly course instructor at the pause point could give one or more examples and explanations for assimilation of the topic discussed. In this activity, encourages interactive participation of the learners'. A reflection spot is a spot for observing and evaluating the reflection of what the learners' gained. True/False questions, Yes/No type questions, Short answer (1-2 words) questions are the tools used to encourage the learners' interactive participation that could be used in reflection spot. Irrespective of the learners' cognitive level all should be involved because the answer to the reflection question is either yes or no or true or false. Once learners' were involved then a short answer type reflection question should be used. The True/False questions, Yes/No type questions, Short answer (1-2 words) questions are used to assess the **Remember** knowledge level and **Understand** knowledge level of the learner.

A peer learning spot is for improving the ability of **Slow learners** with the help of a **Fast learner** by the technique known as learning by sharing technique. The interactive learner-centric learning methods for evaluating learners' learning experience method show that significant improvement in the active participation of each learner in learning process and also improvement observed in the outcome of the learning process.

The method followed in our institution also creates facilities for **self-learning**. The overall academic achievements of the learners are significantly improved.

Our Institution has created a good ambiance for experiential learning inside the laboratories and in the classroom in which students have developed **Knowledge, Skills and Values** from direct experiences outside academic settings.

Our Institution strives to integrate experiential, participatory and problem solving methodologies by devising innovative teaching learning methodologies that brings a profound learning experience for the divergent students in the DIGITAL ERA.

## Report

Maths is a subject of problem. Its teaching learning process demands solving of innumerable problems. A problem is a sort of obstruction or difficulty which has to be overcome to reach the goal.

Problem solving is a set of events in which human beings use rules to achieve some goals – Gagne

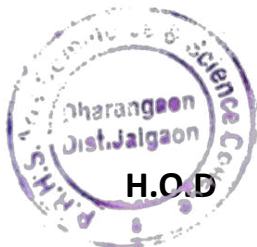

Problem solving is a suitable approach in teaching of mathematics. It develops in the learners the ability to recognize analysis, solve and reflect upon the problematic difficulties.

## **REPORT OF GROUP DISCUSSION**

**Group Discussion** or **GD** is a type of discussion that involves people sharing ideas or activities. People in the group discussion are connected with one basic idea. Based on that idea, everyone in the group represents his/her perspective.

Group Discussion is used to test the soft skills of the candidates. It is used as a quick method to shortlist a few candidates from the massive strength. The written exam tests the knowledge and aptitude. Our team checks the social skills, technical, and communication skills so that a candidate can work effectively without any obstacle in between his/her skills.

Organises  
A National Level IT Event

# PINNACLE - 2022

Having fun and learning together can help you to reach your goal  
*For Budding Professionals*

**28<sup>th</sup> & 29<sup>th</sup> September 2022**

---

### About Host Institute

Raisoni group of Institutions is a conglomerate of 25 colleges and 100 courses and more than 28000 students. Raisoni Group has successfully made its mark in the field of education with the motto "A Vision Beyond" and has jubilantly fulfilled its commitment of 'enlightening minds and empowering ambitions'.

### Objective of Pinnacle

- To give students the opportunity to experiment with and improve their computational skills.
- To develop the networking skills of the student participants
- To hone critical thinking and problem-solving abilities.

### Outcomes to be Expected

- Exposure to current computer and programming trends
- Consolidate their fundamental concepts
- Foster a spirit of collaboration.

### Topics for Poster Presentation -

- Environment and technology
- Swatch Bharat
- Social media and community
- Humanoid Robot
- Green Computing
- Pre-covid v/s post-covid
- 3D Human sensing
- Block chain Technology
- Fog Screen
- Smart Dustbins for smart cities
- Mobile Wimas
- Lamp Technology
- IOT
- Digital India
- Emotional Intelligene

Note : Only Bona-fide Students can Participate in the competition. Each Participant will get Certificate of participation.

### IT Quiz

**Date :** 28<sup>th</sup> September 2022  
**Time :** 9 : 00 am  
**Entry Fee :** Rs 100 Per team  
**Reporting time : 8.30 am**

## **REPORT OF INTERCOLLEGIATE COMPETITION**

The department of Computer Application Organised a National Level IT Event name **PINNACLE-2022** has conducted coding contest on 28<sup>th</sup> and 29<sup>th</sup> September 2022. All students of CS Field came forward to participate in this event. In this competition world, all the companies are looking for graduates who have higher education and have additional skills. G.H Rasoni Institute of Engineering & Business Management Jalgaon college is conducting this activity in the hopes of enhancing such skills necessary for the students.

There were two rounds in the coding contest. The first round was programming round in which the participants were asked to write the programming in basic C language. Out of 200 participants, Our 8 students were selected for the second round. The second round was trouble shooting round in which the selected teams were asked to identify the errors in the given programme. From the second round, three top scoring teams were selected as winning teams , our students reach till second round.

# Report: Chemistry Talent Search Exam - 2023

## Report

Our Department of Chemistry Arts commerce and Science college Dharangaon Dist- Jalgaon on the occasion of National Science day as every year Department organized Chemistry Talent search exam.

This year also organized Chemistry Talent search exam-2023 for all Science Faculty students. The main objective of the exam is to students motivate to learn chemistry and gets opportunity to familiar to competitive exam environment. This exam was conducted in two round in round 1<sup>st</sup> there are MCQ base Written exam were conducted. After evaluation 6 students were qualified for final round ie. Audio-Visual round in this round question were shown to students on screen. After this round top 3 students gets First Second and third rank i.e. Winner of Exam.

In This year exam there were 102 students participate in round I out of 102 following six students were qualified for final round

Sr. No.	Name of students	Class	Marks obtained	Rank
1	Swapnil Sanjay Chaudhari	F.Y.B.Sc.	72	1
2	Neha Dinesh Rajput	T.Y.B.Sc.	72	1
3	Neha Ramdas Patil	T.Y.B.Sc.	72	1
4	Shital Rajendra Mali	T.Y.B.Sc.	70	2
5	Chaitali Chandrakant Patil	T.Y.B.Sc.	70	2
6	Bhumika Ramkrushna Patil	T.Y.B.Sc.	68	3

After Completing Final Round following are winners

❖ **Winner**

**Bhumika Ramkrushna Patil (T.Y. B.Sc.)**

❖ **Runner up**

**Swapnil Sanjay Chaudhari (F.Y.B.Sc.)**

❖ **Third**

**Shital Rajendra Mali and Neha Ramdas Patil (Both T.Y.B.Sc.)**

### Details of Event as follows:

## Glimses of Chemistry Talent Search Exam-2023 ( Round- I)

Final Round

P.R. High School Society's  
Arts Commerce and Science College- Dharangaon  
**Department of Chemistry**

FY/SY/TYBSC या वर्गात प्रवेशित सर्व विद्यार्थ्यांना कळविण्यात येते की, **राष्ट्रीय विज्ञान दिनानिमित्त** दरवर्षीप्रमाणे आपल्या रसायनशास्त्र विभागातर्फे **Chemistry Talent Search** या परीक्षेचे आयोजन करित आहोत.तरी सर्व विद्यार्थ्यांनी सहभाग नोंदवायचा आहे.  
सदर परीक्षेचे स्वरूप खालीलप्रमाणे असेल.

पहिली फेरी- दिनांक: 17/02/2023 (शुक्रवार)

वेळ 11.00 am to 12 pm

50 बहूपर्यायी प्रश्न (प्रत्येक प्रश्नासाठी 2 गुण ) एकूण गुण -100.  
(वरील पहिली फेरी मधून 6 विद्यार्थी अंतिम फेरी साठी पात्र ठरतील.)

अंतिम फेरी – दिनांक 20/02/2023 (सोमवार)

वेळ : 11.00 am to 11.30 am

या राऊंड मध्ये पात्र विद्यार्थ्यांना रसायनशास्त्र विषयावर Audio आणि Video प्रश्न विचारले जातील.

4)अंतिम फेरी मधून 3 विजेते स्पर्धक ठरवले जातील

5) विजेत्या स्पर्धकांना बक्षीस आणि प्रमाणपत्र मिळतील.

6) वरील स्पर्धासाठी कोणतीही प्रवेश फी नाही, (No Entry Fee )

टीप: वरील परीक्षेसाठी अकरावी, बारावी, एफ. वाय. बीएस्सी रसायनशास्त्र या विषयावर प्रश्न विचारले जातील

## Report

### Poster making competition

On the Occasion of science day, Department of physics organize poster making competition on 28<sup>th</sup> feb 2023. The event was held in the corridor of science building and open for first year and second year physics students who wish to participate.

As a part of a nationwide campaign to generate awareness about importance of energy and to dispel the misconceptions related to nuclear energy. The topic of the poster making competition was “Non Convocational energy sources”. Students used different themes such as wind energy, solar energy, tidal energy, nuclear energy for making posters. Total 9 students are participated in this poster competition. Dr. K.D. Mahajan and Prof. S.S. Palkhe worked as a examiner for this competition. Ashis and Girish bagged first and second place in the competition respectively.

ACS College Dharangaon, Department Of chemistry organized a Technical Poster Presentation on the topic of Application in Chemistry on the 28th Feb, 2023 as a part of the Science Day- 2023. The competition aimed to help students showcase their technical poster making skills and their ability to present their respective technical posters related to Chemistry field.

The judges for the competition were Prof. Dr. D.R. Bonde sir and Prof Dr. K.D. Mahajan madam Total 10 teams (35 students) participated in the technical poster competition, each team consisting of two or three team members. Each team was given 5 minutes to present their poster followed by Q & A by the judges and marks were given accordingly.

Winners of the competition were:

1.Mr. Swapnil Chaudhari, Ms. Gayatri Patil and Ms. Sonal Patil

Topic – Cell phone Chemistry

2 Ms. Nikita Patil and Ms. Rohini Patil

Topic :- Folic acid important drug in Pregnancy

3 Ms. Shradha Chaudhari and Ms. Harshada Pawar

Topic:-Chemistry of Cold medicine

This Competition is held under the Guidance of Principal Dr. K.M.Patil , Vice Principal Dr. A.D. Valvi and poster presentation is visited Prof. S S Palkhe, Prof Dr. G G Jadhav , Prof Amit A Patil, Prof. V.Y.Valvi Prof. R.P. Kedar, Prof Dr. D.K.Gayakwad, Prof D.B. Chavhan and Prof. Kalpesh Patil.

## REPORT

On 11th September 2022, an educational trip was organized for F.Y.B.Sc.(Botany) students at Chalisgaon, Patnadevi Sanctuary under Department of Botany, College of Arts, Commerce and Science, Dharangaon. Patnadevi Sanctuary is a famous place in Khandesh with rich and rare medicinal plant wealth.

The main objective of the educational trip was to increase the interest of the students towards the subject and to introduce the rare and important plants to the students by going to the actual nature. A total of 52 students participated in the said trip. In the said trip, the students along with the regular plants, Chandan, Kanchan, Anjan, Behda, Arjun, Gunj, Khair, Gorakhchinch, Karanj, Golden Bamboo etc. Seen rare plants and also took photos to make their digital herbarium.

After the completion of the said educational trip, it has been observed that the curiosity about plants has increased among the students. Such educational trips play an important role in the overall development of students.

With the permission and guidance of Hon'ble Principal Dr.K.M.Patil, the said trip was organized under the leadership of Head of Botany Department Dr. Kanchan D. Mahajan. Dr. Swapnil M. Khare took charge as the head of the trip.

Prof. H.A. Bhalerao, Prof. V. Y. Valvi, Prof. R. P. Kedar, Dr. J. P. Mahajan, Prof. Poorva Kulkarni, Prof. Shraddha Chaute, Mr. Kiran Sutare and Mr. Sunil Patil participated in the trip and contributed a lot in the successful organization of the trip.

## अहवाल

कला वाणिज्य व विज्ञान महाविद्यालय धरणगाव येथील वनस्पती शास्त्र विभाग अंतर्गत दि.११ सप्टेंबर २०२२ रोजी पाटणादेवी अभयारण्य ता.चाळीसगाव येथे प्रथम वर्ष विज्ञान वर्गाच्या विद्यार्थ्यांसाठी शैक्षणिक सहलीचे आयोजन करण्यात आले होते. पाटणादेवी अभयारण्य प्रगल्भ आणि दुर्मिळ औषधी वनस्पती संपदेने नटलेले खान्देशातील नावाजलेले ठिकाण आहे. विद्यार्थ्यांची विषयाप्रती रुची वाढविणे आणि प्रत्यक्ष निसर्गात जाऊन दुर्मिळ व महत्वपूर्ण वनस्पतींची विद्यार्थ्यांना ओळख करून देणे हा मूळ उद्देश सादर शैक्षणिक सहलीचा होता. सहलीत एकूण ५२ विद्यार्थी सहभागी झाले. सादर सहलीत विद्यार्थ्यांनी नियमित आढळणाऱ्या वनस्पतींसोबतच चंदन, कांचन, अंजन, बेहडा, अर्जुन, गुंज, खैर, गोरखचिंच, करंज, गोल्डन बांबू इ. दुर्मिळ वनस्पती बघितल्या व त्यांचे डिजिटल हर्बेरियम करण्यासाठी फोटो देखील घेतले.

सदर शैक्षणिक सहल संपल्यांनंतर विद्यार्थ्यांमध्ये वनस्पतीविषयी जिज्ञासा वाढल्याचे निदर्शनास आले आहे. अशाप्रकारच्या शैक्षणिक सहली विद्यार्थ्यांच्या सर्वांगीण विकासासाठी महत्वाची भूमिका बजावत असतात.

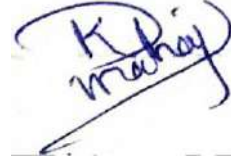

माननीय प्राचार्य महोदयांच्या परवानगीने आणि मार्गदर्शनाने वनस्पतीशास्त्र विभाग प्रमुख डॉ. कंचन डी. महाजन यांच्या नेतृत्वात सदर सहलीचे आयोजन करण्यात आले होते. सहल प्रमुख म्हणून डॉ. स्वप्नील एम. खरे यांनी जबाबदारी सांभाळली.

प्रा.एच.ए.भालेराव, प्रा.व्ही.वाय.वाळवी, प्रा.आर.पी.केदार, डॉ.जे.पी.महाजन, प्रा.पूर्वा कुलकर्णी, प्रा.श्रद्धा चौटे, श्री.किरण सुतारे व श्री.सुनील पाटील यांनी सहलीत सहभागी होऊन सहलीच्या यशस्वी आयोजनात मोलाचा हातभार लावला.

Report of

**Demonstration on  
how to operate Fire  
Extinguisher**

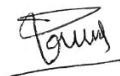

## Report

In chemistry lab, students are dealing with hazardous chemicals and solvents. These solvents can catch fire and some unwanted incident can occur. To overcome such situation students should know how fire extinguisher is used. So, keeping this point in to consideration our department has organized a demonstration on how to use fire extinguisher on 7<sup>th</sup> November 2022. Prof.V.Y. Valvi gave proper demonstration of fire extinguisher. Students ask various question about its operation. First of all, we showed the video related to operation of fire extinguisher and after that actual demonstration is given to students. We have created QR code of Video related to use of Fire extinguisher.

**Report on  
Hon'ble Court Visit**

**17<sup>th</sup> Oct, 2022**

**By**

**Department of Commerce**

## 1. Introduction:

Every year, as part of academics in the Commerce Department Wing organizes the 'Hon'ble Court Visit' for the students of S.Y. B. Com. every year. The objective behind arranging such type of visit is:

- To give the students practical exposure and the platform to gain professional knowledge of Law
- To broaden their horizons through exchange of knowledge and views.
- To help them to develop a proactive and versatile approach to face the challenges of any legal terms.

## 2. Purpose of the visit:-

- The purpose of the visit was to understand the working of the court, the nature of the duties of the judicial officer.
- The nature of duties of the judicial officer.
- To help us understand the role of the court dispensing justice in any case
- To help practical knowledge of the subject.
- Role of Public Prosecutor and Advocates.

## 3. Visit to Hon'ble Civil and Criminal Court, Dharangaon, Tal. Dharangaon, Dist- Jalgaon

On 17 Oct. 2022 Students and Faculty members visited in the Civil and Criminal Court, Dharangaon, Tal. Dharangaon, Dist. Jalgaon at 12.00 pm. Here students got the actual knowledge of Court Procedure with the help of the visit at legal work and procedure in the court.

## 4. Arranged the Legal Awareness Programme

On behalf of Arts, Commerce and Science College, Dharangaon Dist. Jalgaon Asst. Prof. Prashant D. Kshatriya delivered the introductory speech in which he expressed the legal term and importance of Hon'ble court. lastly, The Hon'ble Judge was guided to legal awareness and expressed his career's success story.

## 5. Vote Of Thanks:-

In the concluding session, on behalf of Arts, Commerce and Science College, Dharangaon Dist. Jalgaon Asst. Prof. Prashant D. Kshatriya proposed the vote of thanks.

## 6. Outcomes of the Visit:-

- The students were fortunate enough to interact and understand about the practical provision.

- The students were privileged to meet and interact with Assistant superintendence in the Court, who explained and made the students understand the technical and functioning aspects of the Legal Services Committee on the Court Level and how each taluka and district operate and provide legal aid to the parties who are in need.
- The visit to Hon'ble Civil and Criminal Court, Dharangaon, Tal. Dharangaon, Dist- Jalgaon was the motivating experience for the students.
- The students reached the location the students were assignment groups and each group consisted of a head who would be given a certain Court room to over serve the pleadings initially.

#### 7. Success Of The Visit:-

- The entire visit was organized under the guidance of Principal Dr. K.M.Patil Sir, Dr. Prof. Chhaya S. Sukhadane (Head of the Department), and Asst. Prof. Prashant D. Kshatriya (Visit Coordinator).
- The team spirit and Co-ordination of faculty members as well as the Cooperation from the students of the Commerce Department also contributed to the success of the visit.
